

**CITY OF LODI  
COUNCIL COMMUNICATION**

**AGENDA TITLE:** Conduct a Public Hearing to Approve the Final 2010/11 Action Plan for the Community Development Block Grant (CDBG) Program and to Consider Reallocation of Available Urban County CDBG Funds

**MEETING DATE:** May 5, 2010

**PREPARED BY:** Community Development Department

---

**RECOMMENDED ACTION:** Conduct a public hearing to consider and approve the Final 2010/11 Action Plan for the Community Development Block Grant Program, and the reallocation of available Urban County CDBG funding.

**BACKGROUND INFORMATION:** The 2010/11 Action Plan is the annual implementing document that provides a detailed description of each activity proposed for the fiscal year, as well as the City's CDBG budget and goals for the fiscal year.

The City will receive \$810,608 in CDBG funds from the federal government for the coming fiscal year. This represents a 7.9-percent increase in CDBG funds as compared to the 2009/10 allocation.

As per federal regulations, the Action Plan documents have been available for public review and comment the past 30 days. During that period no comments from the Lodi community were received and the documents will be forwarded for approval as submitted. The City Council should authorize staff to make minor changes to the Consolidated Plan documents in response to comments received and deemed necessary by the U.S Department of Housing and Urban Development.

CDBG funds can be used for a wide range of community development projects as long as they meet a national objective, The national objectives are 1) to address the needs of low- to moderate-income persons, 2) to eliminate slum or blighted conditions, and 3) to resolve an urgent need. During the program year that begins July 1, 2010, the City plans to fund public facilities improvements, infrastructure, public services, economic development activities and program administration.

**CDBG Funding Recommendations**

Funding recommendations for the following categories: Planning & Administration, City projects, City service programs, community-based organization (CBO) projects, and CBO service programs, are listed below, with additional detail on the applicants and recommendations in Exhibit A (Summary of Final 2010/11 Recommendations).
